

Chateau Vie

Ceremony Locations

Front Courtyard

The Courtyard is a beautiful backdrop for a ceremony. You have the option of getting married in front of the Grand Entrance to Chateau Vie, or walking out of the front door, and getting married in front of the fountain. The courtyard has two towering 80 year old Magnolia trees that create both shade and beauty for the ceremony. It is also surrounded by beautifully landscaped gardens. The Courtyard is perfect for weddings up to 100.

Formal Garden

Our Formal Garden is the most popular choice for weddings so far. There are two options just within the Garden. On one end, and huge magnolia with pastures in the background, the perfect natural backdrop. On the other end, a large White pergola/arbor with a chandelier for that Old European Formal Garden look. The Garden is landscaped with over 200 plants including shaped Boxwoods, and Roses.

The Lake

Our 3.5 acre private lake is truly a PRIVATE and rustic site for your ceremony. It has a very natural feel to it, and creates "woody" & "Whimsical" backdrop. There is a stone walkway all the way to the pond, and the ceremony site is surrounded by the lake and large Oak, Maple, Hickory, and Cherry trees. A large set of "Castle" doors conceal the bride until the moment she's ready to walk down the isle.

Wedding Ceremony locations include up to 100 chairs (*more available for rental*)

Chateau Vie

Receptions

Reception Pavilion

It features 9 elegant custom chandeliers, and string lights for ambient lighting above the dance floor. It also features a classic checker board style polished concrete floor. The Pavilion has a custom built bar inside for beverages with decorative crown moldings, and a concrete bar top. Also the pavilion is shaded by large towering Oak & Maple trees, and has ceiling fans to keep your guests comfortable even on those warm summer days. It features a caterers kitchen, and restrooms for your guests, and has a built in granite buffet area for the food. . Accommodations

Bridal Cottage

Our Bridal Cottage is larger than most Bride's changing areas you see at venues. It is actual it's own cute little cottage! This was a small living space transformed into the perfect Bridal suite. It is filled with large mirrors, hair/make up vanities, and all the amenities you'd expect. It also has a large living room to relax in, a full kitchen, and full bathroom even with a shower. There is room for all the girls to come and get ready here. It is decorated in "Chateau" style and make for great pictures. Also, there is a front porch with a porch swing over looking the barn, pastures, and the lake for a nice relaxing view while you're getting ready.

Groom's Den

The Groom's party often gets over looked when it comes to changing areas...not here! We have our "Groom's Den" which is in the main house of the Chateau Vie estate. It's a private area with full bathroom, kitchenette, and of course room to change. It also adjoins the game room with darts, foosball, Satellite TV, and video games. Often, if the Groom's party likes fishing, they'll spend a little time in the morning fishing in the lake which is full of Bass, Blue Gill, Crappie, & Carp.
